

Membership Agreement Business Professionals of America Indiana Association

The policy of the Business Professionals of America, Indiana Association, is to allow a charter/chapter to accept for membership

- A student who wishes to be a member of BPA from a school that does not have a charter/chapter
- A current member in good standing who transfers during the academic year to a school without a charter/chapter (or)
- A current member in good standing who graduates early and wishes to continue for that academic year

on the condition that the host school and charter/chapter agree to accept liability/responsibility for that student at all local, district, state, and national functions of Business Professionals of America.

Signatures required:

- Student
- Parent/guardian
- Host school BPA advisor
- Host school administrator

*If the student is attending another school, the signature of an administrator from that school is required.
