

INDIANA HALL OF FAME AWARDS

Each year, Indiana BPA selects three adults and/or groups to be honored at the State Leadership Conference for their contributions to this organization.

We need your help to determine who should receive the awards in 2019.

Basically, **all we need is the name of an individual/group and some general information in order for an individual to be nominated.** We will do the rest. **We need your nomination no later than December 15, 2018.**

There are three (3) awards. You can nominate one person for an award or someone for each of the awards. **Please feel free to copy the nomination form. Current members of the BPA Board and/or State Department of Education are not eligible for the awards.**

A person who received the Distinguished Service Award in the past is eligible for the Hall of Fame Award.

A person who is nominated will remain eligible for the award for the **next five (5) years if not selected this year.**

Hall of Fame: This award is given to an individual who has made significant contributions to the development of the Indiana Association. This individual should have been involved **for no less than 20 years with BPA.**

Distinguished Service: This award is given to an individual or group within the association who has contributed time and effort to the Indiana Association. This nominee should have been involved for **no less than 15 years with BPA.**

Meritorious Service: This award is given to an individual or group outside of the organization who has made significant meritorious contributions to the Indiana Association **for a number of years.**
